**WALKER STATEMENT ON APPOINTMENT OF  
ADMINISTRATIVE SERVICES DIRECTOR**

MILWAUKEE – County Executive Scott Walker made this statement concerning the nomination of Rob Henken to the position of Director of Administrative Services:

“I am very pleased to announce that Rob Henken has agreed to take the position of Director of Administrative Services, pending confirmation by the board. Rob will replace Linda Seemeyer, who announced this week that she is resigning in February to accept a position with Walworth County. Rob has been a stellar manager as Director of Health and Human Services, and I have every confidence that he will put his great work ethic, extensive experience, and dedication to this new position. Rob’s career as a public servant includes: Director of Research/Fiscal and Budget Analyst for the Milwaukee County Board of Supervisors, Executive Director of the Milwaukee Jobs Initiative, Staff Director for the House Subcommittee on Western Hemisphere Affairs, and Chief of Staff and Legislative Director in the U.S. Congress.”

“Rob is the ideal candidate to continue the great work Linda Seemeyer has done and I am confident that the Department of Administrative Services will be in very capable hands.”
